

## SEA FREIGHT – AT HOME IN EVERY PORT

With our comprehensive network, we can ensure that your goods reach their destination on schedule. We have framework agreements with selected shipping companies that give you access to regular departures to all parts of the world. You can also benefit from secure allotments, reliable container delivery and attractive rates. Sea-air transport will help you to keep your logistics costs to a minimum. The intelligent combination of both transport systems allows your goods to be transported flexibly and quickly to key business centers all over the world. We also offer selected additional services, such as pre- and post-carriage, customs clearance and transport insurance, which add the final touch to our portfolio.

---

The Schneider Group is a medium-sized international transport company that was founded in 1865 and has its headquarters in Basel, Switzerland. We employ more than 620 people at 34 sites in Switzerland, other European countries, the USA and Asia. Together with our global network of partners, we plan and coordinate road, air and sea freight transport. We also offer a comprehensive range of additional services that include customs clearance, logistics, special transports and customized industry solutions.

---
