

## ROAD FREIGHT – ON THE MOVE ON EVERY ROAD

With our portfolio of European road freight services, we can transport goods efficiently across every border. Our employees will find the right solution to meet your needs, using classic or customized concepts. We take a professional and flexible approach to coordinating the transport of your goods, from receiving your order to delivering the items throughout Europe in accordance with your schedule.

With our extensive experience and quality-assured processes, we can guarantee that your shipments will be transported safely to the destination of your choice, regardless of whether you need scheduled services for groupage, deliveries of complex part or full loads, handling of hazardous goods, customs clearance or one of our many additional services.

The Schneider Group is a medium-sized international transport company that was founded in 1865 and has its headquarters in Basel, Switzerland. We employ more than 620 people at 34 sites in Switzerland, other European countries, the USA and Asia. Together with our global network of partners, we plan and coordinate road, air and sea freight transport. We also offer a comprehensive range of additional services that include customs clearance, logistics, special transports and customized industry solutions.
