

CUSTOMS CLEARANCE - SERVICES WITHOUT BORDERS

The world of global trade is in a state of constant change. International goods transport involves a wide variety of challenges and complex customs regulations. Our extensive experience and comprehensive industry knowledge enable us to simplify the situation. We can minimize the risks involved in customs clearance and avoid delays.

Our experienced specialists will help you with customs formalities, transit traffic, advance notification of the authorities in the import countries and obtaining licenses and authorizations. We are always available to answer any questions you may have.

Our services

- Import and Export customs clearance
- Pre-customs clearance at border customs offices and as an authorised consignee with a customs control office
- Neutral customs clearance agent
- Special customs clearance for flowers, plants and animals
- Customs clearance of foodstuffs
- Legally binding tariffs for non-registered products
- Interface customs clearance for bulk goods
- Electronic customs clearance systems (NCTS, SOFI, IDEE, E-DEC, ATLAS)

You benefit from

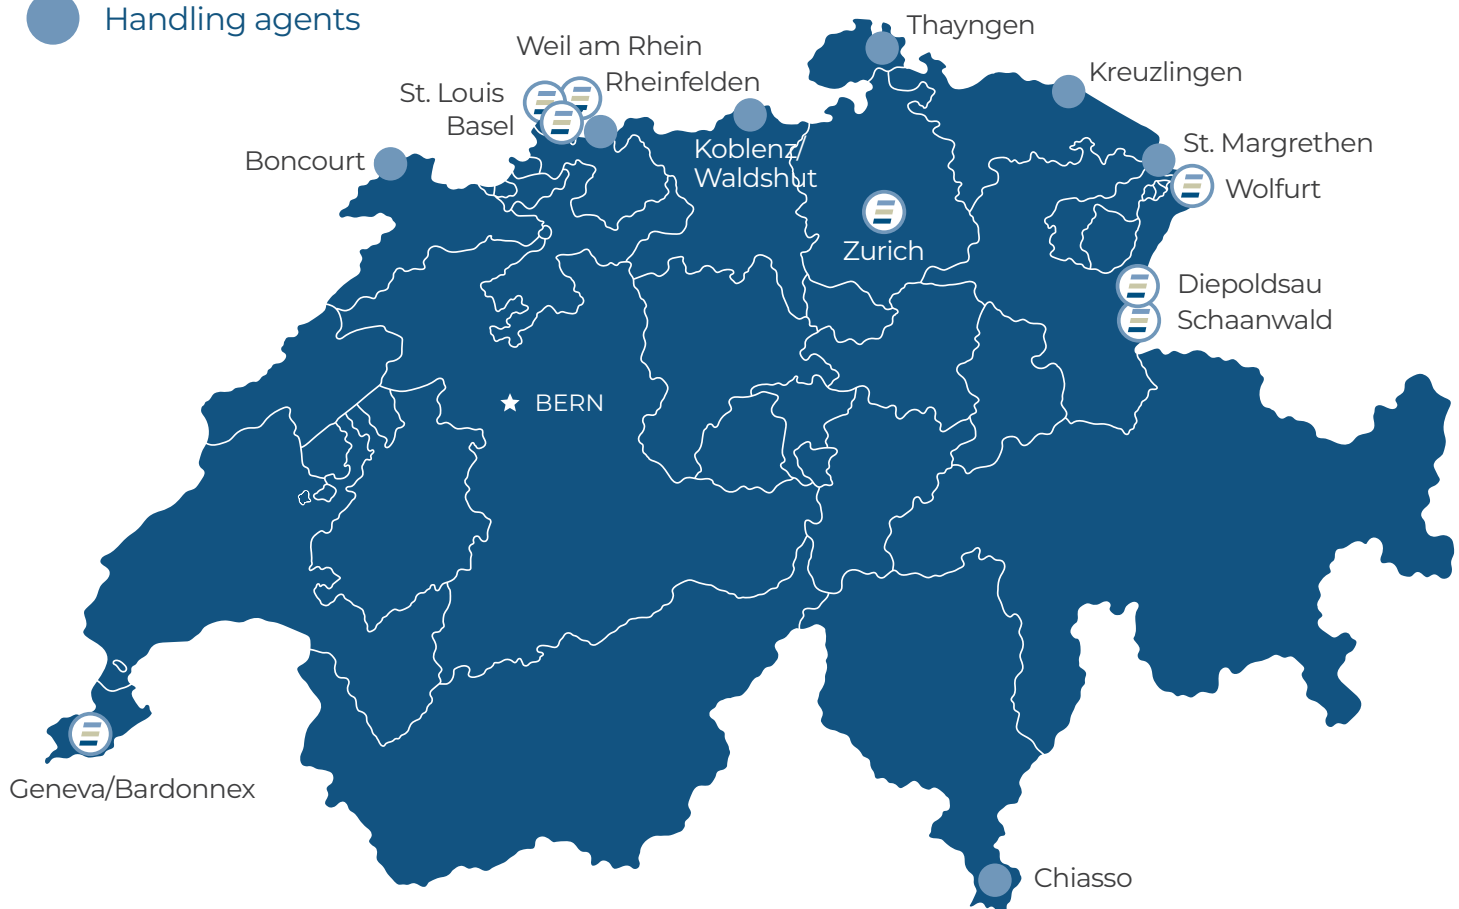

- Eight locations with own offices and seven handling agents at all major Swiss customs offices
- Competent and comprehensive advice on all tax and customs issues
- One domestic location as a authorised consignee with one customs office and 40 authorised locations
- Industry expertise
- Well trained employees
