

## CULTURAL EVENING

Dear Participants,

An integral part of the course is getting to know each other and developing an understanding of the culture of each country. This is a mandatory session.

Every Wednesday we will have a Cultural Evening where we would like you to prepare a short presentation, no more than 10 minutes, about your country. This can be about the history, tourism, food or any other topic you choose to enrich the understanding people have of your country. In the past some participants have also worn their national costume and shared local food and drink with each other.

The suggestions above are not exhaustive so please feel to prepare something that you feel appropriate.

Dear Participants

Please find below the list of those chosen to make a Country Presentation during the course. You will see you have been allocated a subject based on your application and the intention is to share your experience with the rest of the class and the instructors.

You should prepare a presentation which lasts no more than 15 minutes, strict time management will be applied, so please do not exceed your allocated time. Following your presentation there will be time for questions from your fellow participants. It will be helpful if you can highlight any challenges around your allocated subject or indeed examples of how cases have gone well, or not so well, as there is often some good learning points from cases that have gone wrong.
