

Karima Ladhani - Biography

Dr. Karima Ladhani is a human-centered, impact oriented social innovator. She is the Founder & CEO of **Barakat Bundle**, a non-profit that creates lifesaving bundles for mothers and newborns in need in South Asia, and **Giving Cradle**, a social enterprise that sells safe-sleep bamboo cradles to families that give back in North America.

She has over a decade of experience in private and public sector innovation, business development, and project management; most recently serving as Director of Programs at the Harvard Ministerial Leadership Program. While beginning her career in finance with degrees in math and business from the University of Waterloo (Canada), she went on to complete her MPH and PhD from Harvard University and earn entrepreneurship awards from **Harvard Business School, Aspen Ideas Festival, LinkedIn For Good, WeWork** and more.
