

Digital Health Investor

16 May 2023

At A Glance

We are a **Venture Capital** firm with a higher purpose, headquartered in Luxembourg, investing in private technology companies, from pre-seed to Series B, deploying from €500k to €10m in the best.

We back Ambitious Teams with Bold Ideas and Exponential Genes to solve Hard, Valuable Problems for a Global Impact (addressing one or more of the 17 UN SDGs).

We look for highly disruptive breakthroughs and deep tech (specifically in **Health** and Climate).

Our geographic focus is **Europe**. We also invest in Israel and the US.

The Digital Health Opportunity

- Biology meets technology
- Lower cost and better outcomes
 - Patient centric
 - Individualized
- SW only vs SW+HW
- Regulated vs unregulated
