ABOUT US

CTN is at the service of your events

Our ambition? Find the solution to meet all your decoration needs and design for your events, tailor-made, on time and with inspiration.

Present in four countries and exporting to more than forty countries, CTN puts its expertise and its know-how at your service.

With **more than 12,000 different materials** available upon order or from stock through our 6 warehouses in Europe, CTN helps you to dress the floors, walls and ceilings of your events.

Our values

Our values reflect our corporate culture:

The passion for customers - Tailor-made - The team -
A reliable partner - Invent, simplify, solve - Focus on action

CTN also commits its responsibility from a social, environmental and economic point of view through its CSR charter, 3 pillars, 9 commitments and 12 kpi's. For example, 85% of our products are made in Europe.

OUR SOLUTIONS BY BUSINESS

Seminars, congresses and business events

To save you time, our team of experts support you from the qualification of your specifications to the delivery of your event materials matching your corporate identities and event image.

Stands, Fairs and Trade shows

In order to match the expectations and briefing from your customers, CTN has a multitude of products suitable for your stands designs. (carpets, fireproof fabrics, PVC floors...)

Venues & caterers

In order to support your event, CTN offers you a wide range of products (tablecloths, velums, covers for uprights...)

Stage and Fashion shows

Discover our product ranges designed for stages and shows (stage curtains, stage carpets dance, acoustic fabrics ...)

Shopwindows and POS materials

We collaborate with many retail chains for shopwindows set up and a few designs. space designs (adhesives, mirrors, fabrics specific, kakemonos, personalized ...)

Weddings and Events

Each year, we contribute to the success of a number of events & weddings, through a wide range wedding related decorative solutions, ceremonies and business events (ceremonial carpets, curtains, artificial grass...)

Sports arenas, stadiums & racing fields

CTN offers you a wide range of products for your sport and stadiums meetings, competition and events, (fabrics, carpets, tyles, protections, tablecloths)

OUR COMMITMENT FOR SUSTAINABILITY

CTN Recyclage our post-event recycling service

The CTN Group offers **CTN Recyclage**, a take-back offer for **textiles, pvc floors** and **Rewind® carpet** post event.

3 recovery options :

- On site **at your event location**
- Collected **at from your site** by CTN
- Delivered to **CTN** by you

Note that the carpet must be sorted, rolled and packed and textiles must be sorted and placed in a CTN big bag.

The materials thus collected are reintroduced into an industrial production cycle.

CTN is committed to and delivers a certificate attesting that these materials are properly reused.
