

PILODIST®

laboratory & process technology

- Your partner for laboratory & pilot scale distillation systems
- Complete inhouse production – quality & performance made in Germany
- Wide range portfolio & tailor-made systems for lab, research & development
- Highly automated and smart controlled for easy & reliable operation
- From 10 mL batches to 1000 L/day

Distillation
Rectification
Thin-Film Evaporation
Molecular Distillation
Solid-Liquid-Extraction
Liquid-Liquid-Extraction
Vapor-Liquid-Equilibrium
ASTM - D2892
ASTM - D5236
ASTM - D1160
ASTM - D1120
ASTM - D4929

quality

- long established experience
- worldwide references
- proven reliability

efficiency

- standard & custom engineered products
- all products 100% manufactured in-house

support

- worldwide service at short notice
- on-site training and commissioning
- online remote access service support
