EAN	0,375l: 9120010355868 0,75l: 9120010355875

Wine description

Fruity, refreshing, aromatic, with cool elegance, tart flavors, and noble oak spice, ZERONIMO Leonis Blend takes alcohol-free wine to a whole new level. On the palate, juicy cherry and wild berry with a hint of bergamot. This charming blend combines with the aroma of orange zest, nougat, a touch of black tea, and noble oak spice. This sophisticated composition is rounded off with a charming freshness and elegantly integrated tannins. The palate is always light-footed, silky, tightly woven, and dry—the taste experience is multi-layered, refined, with the highest and finest red wine character. And all this is vegan, low in calories, and low in sugar. The tension between subtle elegance and complexity is magical, making Zeronimo Leonis Blend a wonderful pairing partner that perfectly complements dishes.

About Leonis Blend

The basis for this alcohol-free premium red wine from Austria is the award-winning Cuvée In Signo Leonis (recently awarded 98 Falstaff points), from which the alcohol has been gently removed. The Blaufränkisch, Zweigelt, and Cabernet Sauvignon grapes come from over 60-year-old vines on the Neckenmarkter Hochberg and were aged for 24 months in new French barriques. The 2022 vintage is the third vintage of the Zeronimo Leonis blend.

About Zeronimo

ZERONIMO is the alcohol-free wine brand of the award-winning Austrian family winery Heribert Bayer, run by Patrick and Katja Bayer in the second generation. They are among the pioneers of premium alcohol-free wines and are among the first in the world to dealcoholize a 98-point wine. Critics, NA experts, and Master Sommeliers worldwide refer to them as the best dealcoholized wines in the world.

Three years ago – while Katja was pregnant – the winemaking couple began exploring dealcoholized wines. The focus is on high-quality alcohol-free wines that make the complex and fascinating taste and character of wine accessible to everyone. ZERONIMO is not seen as an alternative, but rather as an extension of the wine offering. Only exquisite quality wines are used. Additives or the addition of sugar are strictly taboo. The unique dry, intensely flavorful, and complex taste of the wines appeals to both wine lovers and NA drinkers. The wines are versatile and excellent food companions. ZERONIMO is available in Austria, Europe, and North America.
