# JAY'UP 0.0 % ALC.

Sparkling Muscat

A completely **alcohol-free** alternative made from unfermented **French grapes** of our winegrowers.

Inspired by the flagship Clairette de Die recipe, Jay'up 0.0% is made from “**Muscat blanc à petits grains**” grapes grown in the Drôme region.

In the foothills of the Vercors, in the heart of south-eastern France, our vineyard rises to an altitude of 700 metres. This rare terroir, bathed in sunshine and cooled by the fresh mountain air, produces expressive grapes with lively, natural aromas.

**With no added artificial flavours or sugar**, Jay'up 0.0% reveals a fruity and naturally aromatic profile, faithful to Jaillance's expertise.

Its accessibility and quality make it an ideal drink for all aperitifs.

For a little twist: serve with a slice of lime, a few ice cubes and that's it!

*Carbonated drink made from Muscat grape juice*
