

Fizz Rosé 2025 from Maria & Michael Groß

Flein is a grape juice of the highest quality. Its grapes come from vineyards cultivated exclusively for our juices. In these “Flein gardens,” the vines are tended and harvested by hand, and the grapes are gently pressed - just as with Champagne - before the cold-filled juice is pasteurized in the gentlest manner. This allows Flein to shine with freshness, elegance and vibrant acidity.

Sparkling Grape Juice · 0% Alcohol · 100% Hand-picked
Organic · Delicate bubbles · Enjoy chilled in a big wine glass

MARIA & MICHAEL GROSS are the co-founders of Flein and have been the producers from the very beginning. The grapes for their single-varietal and sparkling juices are grown in carefully selected vineyards in Austria and Slovenia. With heart and an open awareness of the world around them, they believe that good things happen when you simply allow them - and this philosophy guides everything they do in harmony with nature.

GRAPE VARIETY · The large, dense, dark-blue Zweigelt grapes give this sparkling Fizz Rosé its appealing pink color. Incidentally, Zweigelt is Austria's most widely planted red grape variety.

FOOD PAIRING · Refreshing as an aperitif; pairs beautifully with antipasti and prosciutto crudo, as well as light starters with fresh cheese or smoked fish.

JUICE DESCRIPTION · A radiant rosé with aromas of red apple, fresh rhubarb, and juicy raspberry. The fine mousse lends an elegant, creamy texture that tingles lively and invitingly on the palate. Refreshing and perfect for enjoying on a sunny terrace or with light dishes.

ORIGIN OF THE GRAPES ·

Mittelburgenland - a region where red varieties thrive particularly well

CLIMATE · Influenced by the Pannonian Basin and Lake Neusiedl

SEA LEVEL · 210 m, gentle hills

SOIL STRUCTURE · Loamy and gravelly

MORE · Serving temperature: 8–12 °C, At its best: 2025–2029, Vines aged 15–35 years, Vegan, Low in histamine, Units: 0.74 L
