Submission Form

(This form serves as a guide to help you prepare before submitting your online application.)

Information about the person submitting the form (*mandatory)

First name* _____

Last name* _____

Email* _____

Organisation* _____

Job title* _____

The subject of this submission is to*

- ☐ Propose to organise a parallel session as an individual expert or institution.
- ☐ Submit a paper or a report that makes a contribution to improving the measurement of migration and its impacts
- ☐ Both - propose to organise a parallel session and submit a paper not related to the proposed session

Session proposal details:

Session thematic area

- ☐ Improving the availability, timeliness and accuracy of statistics on international migration and migrants to enable implementation of the new UN recommendations on migration statistics and expanded use of administrative data and innovation.
- ☐ Formulating data solutions to promote regular migration pathways while ensuring balanced narrative and combatting disinformation about migration
- ☐ Strengthening data to support socioeconomic integration and inclusion of migrants and their children

- ☐ Foresight and forecasting on migration to strengthen anticipatory action and longer-term preparedness
- ☐ Fostering greater cooperation and partnerships on migration statistics, including on measuring progress towards global commitments
- ☐ Building national capacities on new migration statistics approaches and international reforms, with particular emphasis on practical tools, effective practices, and trainings designed for sustainable impact.
- ☐ Other -- for innovative submissions that do not fit into any of the above themes.
