

The banner features the text "2024 OCEAN DECADE CONFERENCE" and "Connecting the world around Ocean prediction A vision for the Decade and Beyond". It includes logos for Ocean Prediction, GEO Blue Planet, MERCATOR OCEAN INTERNATIONAL, UNESCO, and the United Nations Decade of Ocean Science for Sustainable Development (2021-2030).

## F.A.Q.

**Is there any cost associated with registration?**

No, participation is free of charge.

**Can I get any funds from the organization to support my participation?**

Unfortunately, no.

**Is it possible to participate online in an active way?**

No, the only possible active participation will be on-site, in Barcelona.

**Will there be online broadcasting of the event?**

This is to be decided yet. In any case, it would be just a broadcast, not a way to participate online.

**Will participation in this event enable participation in the full Conference?**

No

**Is there any limit to the text I can include on my poster?**

No, the limit of 100 words is for the abstract.

**Do I need to send a poster to participate?**

No, sending a poster on an Ocean forecasting application is not mandatory to participate. This is optional. Please note that not all the posters will be selected for exhibition (there will be a limit associated to the available space).

**Where can I find the agenda and other practical information?**

Check the web site of the event:

<https://events.unoceanprediction.org/connecting-the-world-around-ocean-prediction>

**Will I receive a confirmation e-mail about my participation?**

The event is motivating a lot of interest in the community. We are receiving more registrations than available seats. We will send an e-mail soon acknowledging the registration on the web site and requesting confirmation of on-site participation at Barcelona
