Step: 2

Select the **Joint Call HPC 2023**

Step: 3

Joint call High Performance Computing 2023

The Ministry of the Economy, the National Research Fund (“granting authorities”) and Luxinnovation have again joined forces to offer companies and research institutions a funding opportunity that supports consortia to take advantage of high-performance computing (HPC) capacities in their research field.

Starting date
15 September 2023

Application deadline before
15 November 2023

Cash-flow forecast*

- Start-ups (< 3 years): detailed CFF
- All other companies: simplified CFF

What next?

Tips and tricks you should know before the submission

- Have a look at the [replays and presentation slides](#) of the previous webinars
- Regularly check the [FAQ section](#) on research-industry-collaboration.lu
- **Mandatory submission of the project outline and attachments before the deadline on 15 November (2 pm)**
 - Online submission via research-industry-collaboration.lu
 - Consortia that have not submitted a project outline during phase 1 cannot participate in phase 2
- **Any partner of the consortium can submit the project outline**
 - Make sure that all partners agree with the submitted version
 - Make sure that someone submits before the deadline

Thank you!
