Conferences, panel discussions,
exhibition, business meetings,
research posters, Workinblue®,
networking

Closing cocktail

**Departure
June 19**

Press opportunities

BLUESIGN...

We coordinate the promotion of the event in the offline and online media.

Media partners

The industry's principal media are partners of Seanergy. You can find the full list of partners on the dedicated page of our website.

Press relations

We invite a wide range of journalists, both national and international, to communicate about the event and to participate in order to promote the industry.

Share your news, publications, press releases and highlights.

We include all these elements in the event press kit distributed to the media before and during Seanergy. Our press officers will also include them in their contacts with journalists. Do not hesitate to ask us for the list of accredited journalists from mid-May.

During Seanergy, the press room welcomes journalists. You can drop off your press kits there from the afternoon of 16 June and organise your interviews by booking a slot with the press office (at our address or at the reception desk during the event).

contact: press@seanergy-forum.com

Contacts

Our team is at your disposal and will be happy to answer any questions you may have.
