to high European standards.

# KOSKA

## Chhurpi bar

### What is it?

Chhurpi is a

**100% natural** cheese stick.

“Chhurpi” or “Durkha” is a traditional cheese from the Himalayan region in Nepal. While it has its roots in this area, at Koska we produce these healthy and natural bars in Germany, **ensuring the highest European quality and safety standards, while reducing environmental impact.**

**Chhurpi is natural, durable, and full of benefits.**

## Why KOSKA Chhurpi is the ideal choice for any dog?
