ANIMATION REUNIONS

The screenshot shows a mobile interface for managing meetings. On the left, there's a calendar view for the month of July 2020. The main area displays a grid of meeting cards for each day, with names of participants and meeting titles. A sidebar on the left shows a list of participants with their profile pictures.

MANAGEMENT DES AUDITS

The screenshot displays a mobile application for audit management. It features a grid of audit items, each with a status indicator (green or red) and a brief description. To the right, there is a bar chart showing the distribution of audit results. A sidebar on the left lists various audit categories.

RESOLUTION DE PROBLEME 8D

The screenshot shows a web-based interface for 8D problem resolution. It includes a table listing various issues with columns for 'Modèle', 'Type', 'Statut', and 'Priorité'. To the right, there are several charts: a bar chart for 'Diagramme des résolutions en retard', a line chart for 'Diagramme des actions en retard', and a bar chart for 'Totaux action par service'. A sidebar on the left contains navigation options like 'Liste des résolutions de problèmes' and 'Diagramme des résolutions en retard'.

Suivi des KPI

Top5 CODIR

Indicateurs: HSE, QUALITE, PRODUCTION, FINANCE, DRH

The KPI dashboard displays two main charts. On the left, a bar chart labeled 'REBUS' shows data for various categories. On the right, a line chart compares 'REBUS_Annee 1' and 'REBUS_Annee 2' over time, with target lines. The interface includes navigation buttons for different departments and a search bar.
